

MAHMOUD MOHAMED LOTFY

Operations & Logistics Manager | Clinical & Supply Logistics | High-Volume Operational Continuity

Alexandria, Egypt | Open to: Greater Cairo, Sharkia • +20 155 816 6440 • m.m.lotfy.88@gmail.com • linkedin.com/in/mmilotfy

PROFESSIONAL SUMMARY

Operations and Logistics Manager with 15+ years of professional experience directing internal supply logistics, clinical material staging, and high-volume operational workflows where clinical success and financial outcomes depend on zero downtime. Managed logistics coordination for 90–140 complex monthly procedures (averaging 65–70 complex clinical cases/month; 399 audited cases in H1 2025; >1,000 cases over 3 years) with ~100% operational readiness, zero supply disruptions, zero critical delays, and zero unplanned equipment shutdowns across 30+ consecutive months. Provided administrative oversight for approximately 45 clinical, nursing, and technical personnel. Proven expertise across diverse, fast-paced logistics environments: clinical hospital logistics (Al-Obour Hospital), FMCG factory warehousing and production supply (Verona Sweets), live event operations, and multi-location commercial media production.

KEY ACHIEVEMENTS

- Coordinated operational logistics and material staging across **90–140 procedures** per month with **~100% readiness** and **zero critical delays**
- Maintained **zero supply disruptions** and **zero supply-failure procedure cancellations** across **30+ consecutive months**
- Guaranteed 100% equipment uptime and readiness via preventive maintenance schedules and a negotiated **1 Hour MAX** vendor emergency response SLA
- Implemented a **weekly 10-point readiness checklist** for critical assets and operating suites
- Streamlined internal clinical supply movement: deployed dedicated in-OR emergency supply carts and capped recovery room inventory custody to eliminate procedural halts
- Directed on-site location and operational logistics across 8 major commercial brand productions (Cairo Festival City, Vodafone, Huawei, El Mara3y), managing site readiness, transport schedules, and **50+ on-site** cast and crew members
- Managed warehouse logistics and material flow in an FMCG manufacturing environment (Verona Sweets Factory)
- Maintained 100% clinical stock availability across **3 consecutive fiscal years** within fixed monthly operating budgets
- Reduced emergency purchasing by **40–60%** through proactive material replenishment planning
- Provided administrative oversight for **approximately 45 personnel**, leading cross-functional coordination across medical, technical, and nursing teams

SKILLS

- Operational Logistics & Material Staging:** Internal Logistics Coordination, Clinical Supply Staging, Point-of-Use Replenishment, Warehouse Operations, Warehouse Management Systems (WMS), Cross-Docking, Material Flow Control, Production Supply Logistics, Inbound Delivery Scheduling, Movement Tracking
- Asset Deployment & Equipment Reliability:** Asset Management, Equipment Readiness, Preventive Maintenance Scheduling, 1 Hour MAX Vendor Response SLA, Critical Equipment Deployment, Downtime Elimination, Vendor Oversight
- Operations Planning & Dispatch:** Daily Operational Scheduling, Resource Allocation, Capacity Planning, Transportation Management (TMS), Route Optimization, Cross-Functional Team Dispatch, Timeline Management, Real-Time Problem Solving, On-Site Coordination
- Operational Governance & Continuous Improvement:** 10-Point Readiness Verification, Incident-Free Operations, SLA Monitoring, Lean Operations, Custom Tracking Tools, Quality Assurance, Regulatory Compliance

PROFESSIONAL EXPERIENCE

Healthcare Operations and Supply Chain Lead | Cath Lab

January 2023 – April 2026

Al-Obour Hospital - Zagazig, Egypt

Led full operational logistics and daily execution of the Cardiac Catheterization Unit processing 90–140 procedures per month. Accountable for equipment readiness, internal supply chain movement, cross-functional staff dispatch, and operational continuity.

- Directed daily operational workflows across **90–140 procedures** per month including scheduling, resource allocation, and staff deployment with **~100% case readiness** and **zero critical delays**
- Led, prioritized, and performance-managed a cross-functional team of **5–10 staff** through daily stand-ups, with administrative oversight for **approximately 45 personnel**
- Synchronized daily internal supply logistics and point-of-use staging of sterile consumables for each scheduled catheterization procedure, ensuring zero OR delays
- Maintained **zero supply disruptions** and **zero supply-failure procedure cancellations** across **30+ consecutive months** in a life-critical surgical environment
- Scheduled monthly preventive maintenance for all Cath Lab equipment and held direct service contracts with **3 key vendors**, keeping the lab at **100% readiness** with **zero unplanned shutdowns**
- Implemented a **weekly 10-point readiness checklist** for systematic verification of equipment, emergency backups, and clinical tools
- Negotiated a **1 Hour MAX** emergency response SLA with the primary imaging equipment vendor to ensure rapid technical intervention
- Reorganized physical storage and custody workflows: introduced dedicated in-OR emergency supply carts and capped recovery room inventory custody to 12 patients, preventing stock misplacement and procedural interruptions
- Built operational dashboards and SLA tracking sheets from scratch using Excel and Google Sheets with **zero external software budget**
- Ran monthly process review cycles tracking KPIs across case volume, equipment readiness, supply turnover, and coordination response times

Accountant & Unit Coordinator | Cardiac Catheterization Unit

October 2019 – January 2023

Al-Obour Hospital - Zagazig, Egypt

Managed Cath Lab front-desk admissions, patient intake ticketing, billing, point-of-service cash collections, and unit treasury. Coordinated consultant procedure scheduling and inter-departmental patient flow with CCU and Operating Theatres, auditing vendor invoices prior to promotion to Operations Lead.

Stores & Factory Manager

2016 – 2017

Verona Sweets Factory

- Managed factory stores, raw material warehousing, and production material flow in an FMCG manufacturing environment
- Coordinated inbound raw material deliveries, managed warehouse space utilization, and synchronized material dispatch to production lines to prevent downtime
- Applied operational planning and resource allocation principles to maintain uninterrupted manufacturing schedules

Media Production Professional | Freelance

2014 – 2019

Roles: Assistant Production Manager, Location Manager, Assistant Director

Productions: Cairo Festival City, Huawei G8, Sudocrem, Clear Challenge, Jumia, Vodafone, Qomrah 2, El Mara3y

- Directed on-site operational logistics, equipment transport, location permissions, and crew movement (**50+ personnel**) across high-pressure commercial productions
- Coordinated strict shooting schedules, equipment dispatch, and rapid problem-solving under real-time constraints
- Managed vendor coordination and crowd logistics in live production environments

Customer Care Manager

September 2018 – July 2019

ClinPrime - Healthcare Software

- Managed support and escalation workflows for **30+ hospital clients** on a healthcare operations software platform
- Reduced average ticket resolution time from **48 hours down to 24 hours** within the first 6 months

Data Processing Specialist — International Business Services

2015 – 2016

Customer Service Representative, ADSL Technical Support, Team Lead — ETISAL International / Etisalat

2011 – 2012

ADDITIONAL EXPERIENCE

- **Co-Founder and COO** — Share Events & Marketing Services (2013–2014)
- **Co-Founder** — TEDx Zagazig (2013–2014)
- **Organizer and PR Head** — Zagazig University Vascular Surgery Conference (2011)
- **Organizer** — Cairo Derma International Conference (2012)
- **Founder and CEO** — Share Human & Community Development (2017–2020)
- **Co-Founder** — Karmasha (2015–2016)
- **Founder and Creator** — Frobe (2022–2023)
- **Head of Public Relations** — SIFE Organization (Enactus)
- Organized 20+ conferences, seminars, and meetings

EDUCATION

B.Sc. Commerce — Accounting | Zagazig University, Egypt May 2010

LANGUAGES

Arabic: Native / Full Professional Proficiency
English: Full Professional Proficiency (reading, writing, reporting)

TOOLS AND TECHNOLOGIES

Advanced Microsoft Excel | Google Sheets | Custom Operational & Inventory Tracking Tools | Visual Studio Code
Applied to build operational dashboards, SLA tracking tools, readiness checklists, and management reporting systems.

PROFESSIONAL DEVELOPMENT

- Self-Study in Operations Management, Healthcare Logistics, and Process Optimization
- Self-Built Cath Lab Operations and Logistics Infrastructure using advanced Excel and Google Sheets on **zero external software budget**
- Continuous development in operational analytics, resource dispatch, and high-reliability operational coordination
